**Re: Required Submission of Information

Operable Unit 1 - Clearview Landfill
Darby Township, Delaware County and Philadelphia, Pennsylvania**

Dear Mr. Hall:

The U.S. Environmental Protection Agency ("EPA") is seeking information related to the release, or threat of release, of hazardous substances, pollutants or contaminants into the environment from Operable Unit 1 of the Lower Darby Creek Site ("Site"). EPA is investigating the source of contamination in the vicinity of the Clearview Landfill, also known as Heller's Dump (collectively, "Clearview"), located at or near 83rd Street and Buist Avenue in Philadelphia, PA and bordering Darby Creek in Darby Township. The Site also includes the Folcroft Landfill and Annex located approximately two miles away in Folcroft Borough, Delaware County. This information request is limited to Clearview. Triangle Publications, former owner of the Philadelphia Inquirer ("Inquirer") was identified by an employee of "Maritime" who recalled transporting waste from the Inquirer's facility and disposing of such waste at Clearview. The former operator of Clearview also identified the Inquirer as a customer of the landfill (see Enclosure F). The specific information required is attached to this letter as Enclosure E.

Pursuant to Section 104(e) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended ("CERCLA"), 42 U.S.C. § 9604(e), EPA has the authority to require Philadelphia Media Network, LLC ("PMN"), as the current owner and publisher of the Inquirer, to furnish all information and documents in its possession, custody, or control, or in the possession, custody, or control of any of its employees or agents, which concern, refer, or relate to hazardous substances as defined by Section 101(14) of CERCLA, 42 U.S.C. § 9601(14), pollutants and/or contaminants as defined by Section 101(33) of CERCLA, 42 U.S.C. § 9601(33), which were transported to, stored, treated, or disposed of at the above-referenced Site.

Please respond in writing to this required submission of information within **thirty (30) calendar days** of your receipt of this letter.

If, for any reason, the PMN does not provide all information responsive to this letter, then in its answer to EPA PMN should: (1) describe specifically what was not provided, and (2) provide to EPA an appropriate reason why the information was not provided.

All documents and information should be sent to:

Ms. Maria Goodine (3HS62)
